AWARD WINNING PRODUCTION COMPANY FIRECRACKER FILMS AND MYSTICART PICTURES ARE SEARCHING FOR MOMS AND DAUGHTERS FOR A NEW RAW, GROUND BREAKING & HEART-WARMING DOCU-SERIES THAT CHRONICLES MOTHER/TEEN RELATIONSHIPS THAT ARE ANYTHING BUT ORDINARY.

No relationship is as primal as the one between mother and child. For most teenagers, looking at mom is like looking at a future reflection of themselves.

OWN-The Oprah Winfrey Network Presents ...

Mom & Me

Every week, we are taken on a genuinely emotional and fascinating journey inside the mind of a teenager who is struggling with the decision to follow in her mother's footsteps or carve her own path in life.

The aim is to make a thought-provoking and sensitive documentary series which explores a variety of mother-teen relationships that don't fit the traditional mold, told from the perspectives of both mother and child.

Some of the stories could include:

- *Moms that are shopaholics or have a compulsive spending problem
- *Moms that have an obsession with plastic surgery
- *Moms that are addicted to exercise
- *Moms that are "cougars"
- *Moms that are workaholics

OWN is looking for dynamic moms with extreme lifestyle choices and articulate daughters between 16 and 21 years of age who have adopted the role of being the "Parent". If you and your mom are ready to face an extraordinary, life-changing journey together then we want to hear from you.
